

Head's Welcome

We hit the ground running this term with our Ofsted inspection on days two and three.....and it's been all go ever since! The first two weeks of term has seen Vikings and Greeks in school working with our Year 5s and Year 3s, in between 4C and 4W's class assemblies, auditions for the music concert, the SHAPES football tournament– and all our usual learning! We have also introduced this half term's Learning Super Power of INDEPENDENCE as well as found out more about allergies during Allergy Awareness Week. Children's Rights are always at the forefront of life at our school, but even more so this month as we gather evidence for our reaccreditation as a Gold level Rights Respecting School. We are very proud of the way in which our pupils recognise the importance of the UNCRC and are passionate about wanting all children around the world to have the same rights as they do. Our School Council are looking forward to showcasing our work on children's rights to the assessor next week!

Charity Corner

We raised £362.21 for Comic relief last month– thank you for your generous donations. Our next fundraising efforts will take place in June, where the Parents' Association and the School Council will work together to raise money which will be split between the PA, a local charity, a national charity and an international charity. Look out for more details of various fundraising events that will take place in the first two weeks after the Whit holiday!

The Family Trophy

Moseley have judged edged ahead after two weeks.
