

Head's Welcome

The week before half term saw most year groups bringing together their learning from the first half term, including vlogging in Year 3 and completing outdoor surveys in Year 4. We also finished the week with our annual Family Colours Day, with **Moseley** winning both the Y3/4 and the Y5/6 Family quizzes! This week, everyone has returned full of enthusiasm for their new topics and have been embracing travelling to the "New World" as pilgrims in Year 3 and becoming Arctic Explorers in Year 4 next week. In Year 5, this term's topic on Natural Disasters seemed very apt with the storms hitting the UK, while the Year 6 pupils have begun their rehearsals for the WW2 Remembrance performances next week. As always, there is lots going on in school!

The Enterprise Club

A special mention this week for The Enterprise Club, who have been doing an excellent job of selling the produce from our allotment, raffling pumpkins, pickling beetroot and onions, and running our break time Snack Shack so efficiently. We raffled 10 pumpkins and the lucky winners were able to take them home to carve ready for Halloween!

The Family Trophy

Henshaw won the trophy in Autumn and have taken an early lead this week
