

## Head's Welcome

There is not a lot of space for my message this week, as there is so much to celebrate this fortnight! This is a short half term, but, as ever, we are cramming every minute with memorable learning opportunities, educational visits and sporting competitions, as well as the first class assemblies for parents. Well done to 6M and 6J for their innovative assemblies, sharing their learning and creativity with great confidence!

## The Family Trophy

Well done to **Bulkeley** who are narrowly in the lead with one week to go.

## Headteacher's Awards

Well done to :

**Tilly** for her consistent demonstration of the REAL values;

**Paloma and Hathaway** for their exceptionally detailed and careful explanations about how rivers are formed.

## Recycling Pens

Well done to Eliane in Year 6 who has started a recycling project in school. Eliane, with help from her friends, has launched a campaign to recycle old pens. We now have a dedicated collection box in school and are looking at becoming a community collection point in the future. This is a fantastic example of Hursthead pupils taking positive action to look after the environment, demonstrating the REAL wheel values of **RESPONSIBILITY** and **LEADERSHIP**.
