### Section 8 - Our response

We aim to respond to your request without undue delay and no later than one calendar month counted from the first working day after we are in receipt of your request, and:

- proof of your identity, and
- any further information (where we have requested this from you) we need to process your request and/or locate and retrieve your personal information.

Where it is not possible to respond sooner and the last day before expiry of one calendar month falls over a weekend or on a bank holiday, the latest due date will be treated as the first working day after the weekend or Bank Holiday.

We will always try to reply to you as quickly as we can. If your request is complex, we may need to extend the length of time required to respond. If this applies, we will let you know before you expect to hear back from us. The law says we can extend the length of time to respond by a maximum of a further two calendar months.
